“400 years Bickers-, Prinsen- en Realeneiland”

Tour 1 "Historical Islands tour, Bickerseiland, Prinseneiland, Realeneiland"

In 1614-1615 these Western Islands were created, here came the shipyards and warehouses of the mighty West India Company. Of the 900 warehouses in Amsterdam, there were at that time more than 100 at the Prinsen Island. What was the meaning of the name Gallows street - Gallows Bridge? Where lived the famous photographer Jacob Olie and painter Breitner? What happened here in the turbulent '70's? And what about a giant on the Bickers Island? During this tour around on the beautiful 3 islands, the experienced guide will let you hear and see many unknown facts and stories about this historic old neighbourhood.

Tour 2 "From old to new, Bickerseiland, Westerdok and IJDock"

This tour goes from the old Bickers Island to the new Westerdok. With special locations as Houthaven, Silodam, Stenen Hoofd en the very modern IJDock with the new Palace of Justice.
